**ACTION HISTORY OF RTI FIRST APPEAL No.IGMHY/A/E/25/00003**

<b>Applicant Name</b>	Mohsin Rafique Tanwar
<b>Text of Appeal</b>	Not satisfied with the answer please any related information to the original information would also suffice anything relatedto it
<b>Reply of Appeal</b>	<p>First Appeal No. IGMHY/A/E/25/00003 dated 26.02.2025 ORDER 1. The appelliant filed an application dated February 11, 2025 under the Right to Information Act, 2005 . The respondent disposed of the request vide his reply dated February 25th, 2025 to the appelliant. The appelliant filed the present appeal dated February 26, 2025 against the above response. 2. I have carefully considered the application, the response and the Appeal and find that the matter can be decided based on the material available on record. 3. From the Appeal, I note that the appelliant is aggrieved by the respondent's response to his application for not providing/refusing information 4. The respondent provided the information to the appelliant well within the prescribed period of time as per the provisions contained in the RTI Act, 2005. 5. Grounds in Appeal – The applicant raised the appeal on the following issues as stated as below: “Not satisfied with the answer please any related information to the original information would also suffice anything relatedto it ” 6. I note that the appelliant had sought information with respect to Inquiry regarding Minting detail of India Circulation coins (definitive coin having metal aluminium magnesium ) (A) 1 paisa of year 1965 (B) 5 paisa of year 1979 (C) 5 paisa of year 1981 (D) 20 paisa of year 1983 (E) 20 paisa of year 1984. Against this request CPIO(HR) vide his RTI reply dated 17.01.2023 has provided the following information: “the information sought is not available as per the records being maintained by this Mint.” 7. It is observed from the Reply to the RTI Application that the CPIO has stated that, no records are available as far as information requested by the applicant. The FAA observes that, the CPIO is obliged to provide the information to the extent it is available in their records. This legal principle is supported by the decision of the Hon'ble Delhi High Court in its order dated 07-01-2016 of Page 3 of 4 in LPA 24/2015 &amp; CM No. 965/2015 titled as “The Registrar of Supreme Court of India v. Commodore Lokesh K Batra &amp; Ors.,” 8. In view of the above, no further consideration by the FAA in this regard is required. 9. In exercise of the powers, conferred upon the Appellate Authority under Section 19(6) of Right to Information Act, 2005, the appellate authority finds no reason to interfere with the responses provided by the respondent CPIO. 10. The Appeal stands disposed. The decision can be appealed against to CIC within a period of 90 days at below mentioned address or through the online RTI portal. Central Information Commission, Room No. 305, 2nd Floor, CIC Bhawan, Baba Ganganath Marg, Munirka, New Delhi – 110 067. SUNIL TIWARI FAA&amp; CGM</p>
